

## **Update Re Covid 19**

**We want to reassure all our candidates & clients that we are taking this current outbreak very seriously.**

**In the short term we are continuing business as usual but to minimise the risk to our staff and out workers we will be keeping our door locked to the general public.**

**Please post timesheets or paperwork through.**

**Interviews will be done via Skype where possible.**

**However, if you do have an appointment booked in and you are feeling unwell with a cough or cold and have visited the high-risk locations, please reschedule your appointment.**

**We do have hand sanitiser for use on arrival.**

**Looking for work please visit our website
